Sub : **Sub-National Immunization Day (SNID) for Polio on 28 May, 2023.**

Ref. : (1) D.O. No. – H/SFWB/21-03-2012/2290 dated 17 May, 2023 of Hon'ble Minister of State, Department of Health & Family Welfare, Govt. of West Bengal.

(2) No. HFW-35099/217/2023-SFWB/2271 dated 15.05.2023 of Department of Health & Family Welfare, Swasthya Bhavan, Govt. of West Bengal.

Sir/Madam,

We are all aware that India, after years of struggling with Polio, has finally achieved the 'Polio-Free' status on 27 March, 2014. The last Polio case was reported on January 13, 2011 from West Bengal. To sustain global efforts of Polio Eradication, it is our duty to continue organizing 'Sub-National Immunization Day (SNID)' to provide supplementary doses of oral polio vaccine to all children 05 years of age. The Madrasah authorities all over the state have always played an active role in both routine and pulse polio immunization activities with their full co-operation and support in collaboration with other organization of the state. West Bengal has maintained a polio free status for consecutive years.

This is for your information that the next 'Sub-National Immunization Day (SNID) will be held on 28 May, 2023 in the districts of Howrah, Hooghly, Kolkata, North 24 Parganas, South 24 Parganas, Basirhat Health District, Diamond Harbour Health District and selected Block / Municipalities of Murshidabad, Malda and Uttar Dinajpur.

In view of the above, all Madrasah authorities and Head of the Madrasahs, Assistant teachers are requested to actively participate taking necessary help from Imams, Guardians, Students, Local Bodies and other personalities in the activities of forthcoming SNID on 28 May, 2023 to ensure that no under 05-year child is left un-vaccinated.

Your whole hearted participation will make the programme a grand success which will lead to a 'Polio Free World'.

All Necessary action will be taken accordingly.

  
President
