Sub: Regarding Intensified Mission Indradhanush (IMI 5.0)

Sir,

The Intensified Mission Indradhanush 5.0 is planned to close the immunization gaps that might have emerged due to the COVID 19 pandemic. This IMI - a special immunization campaign, has been planned in the all districts of West Bengal (including Health District) to ensure full immunization coverage to every missed out and left out or drop out child upto 5 yrs of age.

This is relevant to mention that very recently MR vaccination campaign has already been completed in the State with 96.4% coverage and presently we are planning to achieve Measles & Rubella (MR) elimination by Dec'2023 and so, IMI is a big and last opportunity to vaccinate the left-out MR Vaccine along with other vaccines to the beneficiaries through IMI 5.0.

The activities will be held in three rounds in coming three months (August, September & October), the detailed date is as follows:

- Round 1 : 7th to 12th August'2023 ✓
- Round 2 : 11th to 16th September'2023 ✓
- Round 3 : 9th to 14th October'2023 ✓

In this campaign of IMI 5.0, the support of your department in the following areas is requested:-

- Generating awareness on immunization in minority communities and their mobilization to ensure full coverage of all children.
- All the eligible children in the Institutions and hostels run by the department to be covered for immunization.
- Involvement of religious leaders in giving message on importance of immunization.

Necessary direction from your end may kindly be issued to the concerned officers for their active participation and support.

Yours faithfully,

Principal Secretary
Health & Family Welfare Department
Government of West Bengal
